

# Company Profile C Consultant Today

## *“Seeker’s Point “*

---

CCT is a domestic placement service which finds the best candidates for the best and highly reputed companies that provide a prosperous professional life to their employees. Generally, companies are looking for highly qualified, experienced and professional employees for their vacancies. We help both the job seekers and companies meet their target(s), as we aim Seeker’s Point.

## Vision

---

Our vision is to provide the perfect platform as per the potential. We believe in depth of career of candidate and looking forward for their bright as successful career. Level of jobs is going very low in Punjab due to drugs. So, when they are counseled, they will know what is the aim of their life “For life is only once” they should live with **“Dignity”**

## Mission

---

We believe on an ethical, scientific and people friendly working environment. CCT is absolutely dedicated to the satisfaction of the client. we strive to improve client satisfaction by enhancing our Quality Management System.

## HR Policy

---

Human Resource policies are the guiding principles that define the various aspects of pre-training to workforce such as hiring, training, assessing and rewarding etc. CCT which is based in Jalandhar, Punjab, provide impeccable services related to HR policies to array of companies. We understand how important to set HR policies for any organization. If it is not written properly, this can lead to misunderstandings among employees and employers. These issues can relate to rights and obligation of the working members of the company quite frequently. we charge 30% of the first salary and we would like you to keep 30% of their first salary with you so that we can collect from you as we do not deposit any original document with us of the candidate. All paperwork is done (signs and thumb impression) is taken so that the candidate should have no argument on the day of deduction of the salary and if the company is paying us then we do not charge anything from the candidate. So we would like to conclude by saying that all paperwork

is done professionally if you want us to visit you and discuss, we would love to further know each other and work more efficiently.

## Our Services

---

We render our companies' genuine candidates by our step by step recruitment process involves, screenings and short listing candidates while paying due attention to aspects such as whether the experience shown by the candidate is authentic and whether the candidate is looking the job actively or not.

CCT invest a lot of time in thoroughly understanding both the client's and the candidate's needs to ensure our service not only meet, but also exceed the expectation of both the parties.

## Why CCT

---

CCT is a channel where we find the right candidate for the right company and vice versa. We are very smooth and transparent in our dealing. We discuss the company profile, objective including their goals, potential growth opportunities and ability to learn something new which could enhance a person job knowledge.
